Sir,

Re Sweeper

I have the honour to state that the Sweeper attached to the office of the City Drainage Division is being paid Rs 6-6-0 per month being $\frac{1}{3}$ of Rs 12 + 7 D.A. the remaining $\frac{2}{3}$ being met in equal porportion out of the Contingent grants of the Office of the Director of Public Health and some other office in the same compound This arrangement has been in force as a full time sweeper for any one office would not have sufficient work

Now the offices of the City Improvement Trust Board and the City Drainage Division are under my Control and the two offices have been shifted to a more spacious building in Seshadri Road The Building under occupation has two floors and the sweeper has to do more sweeping work inside the building and he has also to keep the compound tidy In view of the extra work required to be done by him now, I recommend that the

Sweeper (be paid a further sum of Rs 4/- per month in addition to Rs 6-6-0 which he is already being paid from the grant of the Drainage Division The monthly recurring expenditure on this account will be met out of the grant of Rs 5,00,000/- under 30 Grants for Public Improvements 11, Bangalore Improvement Trust Board.

I request kind sanction to my proposal to enable me to disburse the extra allowance to the sweeper from 1-12-1944 the date from which the Sweeper has been doing sweeping work in the new building.
